2. Kei te moe te tinana,
Kei te wake te wairua,
Kei te hotu te manawa,
E te tahuri mai.

3. Haere, haere ra e hine,
Whakangaro i konei,
Waiho ahau i muri nei,
Tangi hotu hotu ai.

2. When I find your body sleeping,
Feel the spirit slowly waking.
My heart pounds as you are turning,
touching me so tenderly.

3. Go, my lovely lady, go from me,
Please be gone now, leave me, do not fear.
Disappear without a tear for me,
Our love grows eternally.
